

4

would do their best.

They will be Lots other
Bills Besides my Doctor
Bill. But Mary said she
would try and take care of
them. The Doctor said my
apends has been bad
for a long time, he said
sooner or later they would
burst and then they would
kill me.

and he said I have been
run down so long.

and that I needed to
build up, instead of
running on down. I hurt
some where all the time
But I hope I can feel better
